WHERE SIN ABOUNDS

As the moral decline of Western civilization advances, more reliance on a back-to-the-future way of being church to reach unsaved people with the gospel is needed.

Thus, the Restore Church Network of microchurches (house churches as found in the New Testament) is mobilizing an expanded church planting and disciple-making outreach, with designs on starting US and UK churches who are united in Christ, in fellowship with each other and devoted to Jesus as loving, servant families of believers who are on mission to the lost.

## WHERE SIN ABOUNDS

As a part of this new endeavor, RCN will be adding to our substance abuse and addiction focus areas where the evil one is attacking Western civilization with high degrees of success, destroying people through the obliteration of families with lies about human sexuality and marriage; and stealing children with explicit sexual messaging, sexual abuse and the murder of unborn babies.

We are seeking support (prayer, laborers, and financial), Bible-believing churches and Christian businesses as partners for the expansion.

# WHO

Restore Church Network is a US 501(c)(3) non-profit church comprised of Bible-believing microchurches (house churches) and one hub (residential recovery/restoration microchurch) in the United States and United Kingdom.

# MISSION

In post-Christian United States and United Kingdom, we're taking the gospel to lost adults and children who are being spiritually and physically destroyed by secularism, alcohol, drugs, sex addictions, sexual abuse, and poverty; and secular lies about marriage, abortion and human sexuality.

# STRATEGY

1. Because most lost people will not enter traditional church buildings, our planting will involve going to where they live, with a focus on apartment complexes.
2. We'll identify, equip and support 15 city missionaries in five targeted cities or regions to plant microchurches and equip more planters to do the same.
3. We'll plant 85 churches reaching 20,000 people (about 235 per microchurch), praying that at least 1,275 become saved disciple makers (about 15 per micro).

# PARTNER

If God has given you a heart for lost people who are struggling with many of life's hardest difficulties, here are ways you can help:

- 1. PRAYER** - The work is in the prayer. Please join us in praying for microchurches to be planted in our cities and for lost people there to be saved.
- 2. LABORERS** - We need disciple makers, people with apostolic gifting to be city missionaries and planters, and teachers of adults and children.
- 3. FINANCIAL** - The annual budget will be \$420,000. We have \$120,000 in hand. We're praying for monthly donors to provide about \$300,000 (333 people @ \$25, 166 people @ \$50 and 16 churches or Christian businesses @ \$500).
